GENERAL ADMINISTRATIVE ORDER
Re: BELLEVUE PUBLIC SCHOOL BUS CAMERA
INFRACTIONS

District Court's contract with the Bellevue Public School District for the processing of infractions issued through the use of automated school bus safety cameras expired on October 2, 2023.

The school district continued to file infractions after the contract expired. The court continued to process the infractions including receipt of funds. The court had no authority to process these infractions or accept payment on these infractions filed after October 1, 2023.

Therefore, it is now ORDERED:

All Bellevue Public School District Bus Camera infractions filed on or after October 2, 2023, while there was no contract in place, shall be dismissed without prejudice, pending hearings shall be canceled, funds receipted on the infraction shall be refunded, and an appropriate jurisdiction may choose to refile at a later date. (See attached list of cases.)

Done this 11 day of December, 2023

Matthew York, Chief Presiding Judge
King County District Court
