CLERK'S ALERT

Notice Regarding Fee Increase for Electronic Working Copies

The King County Superior Court Clerk's Office, for the first time in over a decade, will be increasing the fee for electronic working copies submissions, per King County Ordinance 19193. The new fee will be \$30.00 and will go into effect on January 1, 2021.

The Clerk's electronic working copies service provides full color, high-resolution copies to the Court with the option of tabs and other customizations in a guaranteed timely and cost-effective manner. It replaces trips to the courthouse by you, your staff, or your messenger service, which saves time and resources.

E-working copies is an optional service provided for your convenience.
