CLERK'S ALERT

Proposed Orders for the Family Law Motions Calendar

Effective for all hearings scheduled on or after May 10, 2021 on the family law motions calendars, proposed orders must be submitted online through the clerk's e-filing system located at: <https://dja-efsp.kingcounty.gov/EFiling/Logon/Logon.aspx?ReturnUrl=%2fefiling%2fLogon%2fHome.aspx>

The new system will be posted on the Clerk's Office webpage today, April 26, 2021. Proposed orders will only be accepted through the family law staff e-mail boxes for hearings occurring before May 10th.

The new system should **not** be used for matters on the Prosecutor's calendars, the Trial By Affidavit (TBA) calendar, or motions scheduled in front of family law judges. Continue to follow current procedures for those matters.
