King County Superior Court Clerk's Office Systems Replacement Project – KC Script Portal and Webinar Information

Today, March 28, 2022, the King County Superior Court Clerk's Office/Department of Judicial Administration launched the new [KC Script Portal](#). The KC Script Portal replaces the ECR (Electronic Court Records) Online and Electronic Records Requests (ERR) applications.

In the [KC Script Portal](#) customers can now order copies of court records, recordings of court hearings, request research assistance and much more.

On March 29, 2022, the Clerk's Office will be conducting a webinar that provides an overview of the new KC Script Portal. The webinar will show how to:

- Set up and manage the KC Script Portal account
- Search for case information
- Order and view documents and request copies of recordings of hearings
- Request the issuance of writs, subpoenas, and citations
