

# Struggling with Heroin or other Opiates?

## Interested in Suboxone?

- Treatment offered through Public Health at Eastgate
- Covered by Medicaid/Apple Health
- Low cost if no insurance
- Includes Medical Care
- Behavioral Health Treatment if Desired

**For Suboxone Appointments, Clinic Hours are:**  
**Mon, Tue, Thur, Fri 8:00AM - 5:00PM**  
**Wed 9:00AM - 6:00PM**

Suboxone (Buprenorphine with naloxone) is a prescribed medicine that is used to treat addiction to heroin and other opiates. It treats withdrawal and reduces cravings.

In addition to Medications for Opioid Use Disorder, Eastgate Public Health provides Primary Care, Mental Health Care, and more if desired. Must establish as a Primary Care patient at Eastgate to receive Suboxone treatment.
