

VALUES Auction

Auction Rules

1. Your group has \$6,000. No more. No less.
2. Your group may only bid on an item when it is up for bidding, NOT after.
3. You may NOT change your bids. Once you bid, that money is gone.
4. If you are outbid, the money you offered is gone. Bid strategically.
5. At the end of the auction, groups will have the opportunity to make a case why their item(s) are the most valuable.
6. Finally, any person in your group can bid. No consensus is required.
