**City of Seattle
Proposition No. 1
Property Tax Levy Renewal for
Transportation**

The Mayor and Seattle City Council passed Ordinance 127053, concerning replacing funding for citywide transportation maintenance and improvements.

If approved, this proposition would replace an expiring levy to fund safety and access projects, such as: paving, sidewalk and bridge maintenance, and infrastructure modernization; transit improvements; improved connections to light rail; new sidewalks; and pollution reductions.

It authorizes an eight-year tax increase for collection beginning in 2025 of approximately \$0.65/\$1,000 in assessed value, up to a maximum of \$2.71/\$1,000. 2026-2032's levy limitations would be computed using 2025's regular levy amount. RCW 84.36.381's senior citizens and disabled persons exemption applies.

Should this levy be approved?
