

Business License, Supplemental Conditions for Shooting Ranges

1. Ensure that the backstop is fully intact, with no gaps, at all times.
- 2(a) Prohibit courses of fire, where shots are likely to pass over the backstop or berms.
OR
- 2(b) Provide an overhead safety baffling system.
3. Post legibly lettered signage making statements referring to the following, as a minimum:
 - a. Always keep the firearm pointed in a safe direction.
 - b. Always keep your finger off the trigger until ready to shoot.
 - c. Always keep the firearm unloaded until ready to shoot.
 - d. Know your target and what is beyond.
 - e. *Remember:* Treat every gun as a loaded gun!

The above conditions must be met in order for King County to issue a Shooting Range License.

I, _____, Rangemaster for _____, attest that all the above conditions have been met.
