|                                                                      | temporary noise – medium review        | \$587                         |
|                                                                      | temporary noise – complex review       | \$1,175                       |
|                                                                      | extension of approval                  | \$291                         |
| Transfer of development rights sending site certification            |                                        | \$698                         |
| Site-specific map, plan, code amendment, or shoreline re-designation |                                        | \$2,666                       |
| Zoning reclassification request                                      |                                        | \$10,901                      |
| Special use permit                                                   |                                        | \$10,901                      |
| Rural stewardship plan (e)                                           |                                        | \$2,332                       |
| Plan or request re-submittal or minor revision of an issued permit:  |                                        | 25% of the initial review fee |

- (a) The maximum fee for a retail stand is set by RCW 70.77.555. RCW 70.77.311(2) establishes exemptions from permit fees where usage meets all the following criteria: Fireworks are (a) purchased from a licensed manufacturer, importer, or wholesaler; (b) for use on prescribed dates and locations; (c) for religious or specific purposes; and (d) a permit is obtained from the local fire official.
- (b) Improvement value is the total cost or fair market value of improvements as defined by WAC 173-27-030(8). Concurrent applications for substantial development permit, conditional use permit, or variance shall be charged the full fee amount for one application plus 50% of the fee amount for each additional application.
- (c) Defined by WAC 173-27-040(2)(m).
- (d) Defined by WAC 173-27-040(2)(p) and (o).
- (e) Includes review of stewardship plan only; excludes critical area review of building permit applications.

**2023-2024 Fee Guide 08,  
Use or Shoreline Permits, Variances and Zoning Amendment**

- (f) The base fee for a critical area alteration exception includes site engineering review for a residential exception. Additional fees for site engineering may be due for more complex exceptions.
- (g) Ecological review is not required if a rural stewardship plan has been approved and is valid.
- (h) Fees are waived per [declaration of homeless emergency, March 7, 2016](#). Some permits may be processed as a Type 1 decision.
- (i) Fee amounts do not include fees for site visit(s) to verify parcel condition and attributes, if required.
- (j) If applications for a shoreline permit and critical area alteration exception are reviewed concurrently, the critical area alteration exception application shall be charged fifty percent of the critical area alteration exception fee.
