## Part 6—Project Description

**6a.** Briefly summarize the overall project. You can provide more detail in 6b. [\[help\]](#)

A recreational mooring buoy will be installed adjacent to the privately owned property and tidelands at 24533 143rd Ave SW, Vashon, WA 98070.

**6b.** Describe the purpose of the project and why you want or need to perform it. [\[help\]](#)

To anchor a 30' recreational boat in front of my property. Mooring Buoys are the preferred method of anchoring recreation vessels in particular, helix anchoring systems properly installed disturb no more than a couple square inches of marine floor and provide better performance and anchoring safety versus alternatives, such as concrete blocks. The Buoy Anchor will be in aprox. 18' below depth at (MLLW). The primary vessel registration number is WN5368SZ. Dinghy access and storage is from the adjacent low bank rural residential property.

**6c.** Indicate the project category. (Check all that apply) [\[help\]](#)
