RE: Minutes for the August 23, 1991 Code Interpretation Meeting

1. BALD is processing a UUP application for a state police training facility per 21.44.020(M). The facility will be located in a former Bible College and is zoned RS. What size signs are permitted? 21.44 is silent. 21.08.062 is also silent.
Are signs limited to 21.08.040(I) without a variance, or can a sign plan be submitted and reviewed as part of the UUP site plan which exceeds (I) ?

DISCUSSION:

Yes, signs are limited to 21.08.040(I) unless a variance is granted. A Bible College is not considered the reuse of a public school whose ownership is retained by the school district as stated in 21.08.040(H).
